

Parents-Board investigate Elementary French

Families of the St. Albert Roman Catholic School District #3 have received a questionnaire on the subject of expanding the teaching of French in district schools. The survey will assist the board in determining whether this is advisable and to what extent. The action follows a brief by a parents committee proposing a French Immersion Course for Grade one to six, to begin in September of this year.

In October last year a group of parents decided to

investigate the possibilities of obtaining a French bilingual program for grades one to six in the Public School District #3 in St. Albert. Their first step was to post a petition in the Roman Catholic Church, which was signed by 200 people, expressing interest in such a program.

The committee then surveyed the kindergartens in St. Albert and in an interview last week Mrs. Marguerite Broten and Mrs. Jacqueline Morrisette said that 50 parents expressed in-

terest in having their children begin a bilingual program in 1973, and 50 who were interested for the fall of 1974, mostly from District #3.

Parish Kindergarten teachers said they have had enquiries about a bilingual kindergarten, but felt it would be impractical unless the children could follow it up in grade one.

Another alternative was to bus children in to Edmonton where they could attend existing programs in Pileard or Grandin schools. Some committee members were agreeable to using these schools while others definitely opposed sending young children into the city.

The committee arranged two meetings in November with local city teachers, trustees, superintendent and resource personnel, including Dr. Lamoureux, curriculum co-ordinator for bilingual programs in Alberta schools. Problems involved in establishing a program under which children learn to speak, read and write fluently in French under the direction of a totally bilingual teacher, were discussed.

Administrative problems and costs were the major topics of both meetings. The meetings did not come up with a solution on the effect on the pupil-teacher ratios of introducing a French immersion program. A bilingual class would also upset the busing system, which is organized to evenly distribute enrolment.

There was general agreement among the resource people that on the whole English speaking parents were

Fly Fishing Clinic

Have you ever wondered how those fly fishermen can cast that little fly with the precision of a marksman? Well, the St. Albert and District Fish and Game Association welcome you to attend their fly fishing clinic being held on May 29 and 30 for all those interested.

The classes are to be held at Sir George Simpson School gymnasium from 7:30 to 9:30 p.m. on the above dates, for a nominal fee of \$1 per person.

The instruction will be given by members of the St. Albert and District Fish and Game Association and possibly a member of the Edmonton Trout Fishing Club. Instruction will cover fly ty-

ing, fly casting, fishing lure, proper use of tackle, and other pertinent subjects.

There is no guarantee that you will go home an expert, but it is hoped that these classes may start you off on the right foot if you are a beginner, or if you have already taken up the sport, it may help to iron out any little difficulties you have encountered.

The St. Albert Fish and Game hope to see a good turn-out, as the rumors are out that the fish are biting.

Also, please don't forget the Family Fishing Clinic starting at Lions Park May 24 at 6:30 p.m. and to continue until May 31.

Concert in the Park

On Thursday evening, the first in a series of summer concerts-in-the-park will take place at Lions Park.

The Chilliwack Junior-Senior High School Band and Chorus will perform beginning at 7:30. Sponsored by the St. Albert Lions Community Band, the 101-member group will also present two school concerts on Friday -

at Father Jan and Sir Alexander Mackenzie Schools.

There is no admission charge for Thursday's concert. For St. Albert residents this will be an excellent opportunity to hear one of the finest school bands in British Columbia.

Concert time is 7:30 at Lions Park! See you there!

The recently elected officers of the Kinsmen Club of St. Albert will take over their responsibilities next month. Seated from left are Bob Myrthue, president; Barry Welsh, president-elect; Colla Ford, bulletin editor and Elroy Haight, registrar. Standing Neal Stewart and Irv Young, directors, Al Higginson, treasurer, Paul Malear, secretary and Terry Moore, director.

Mayor Ray Gibbon (centre) proclaimed the week of May 28 to June 2 as St. Albert Cleanup Week. Above His Worship is seen flanked by Mr. Harry Cochrane (left) president of the St. Albert and District Chamber of Commerce and at right by Immediate Past President of the Breakfast Lions Club Mr. Stan Shottland. The annual event, sponsored by the local Chamber of Commerce serves as an excellent period during which time local clubs join hands in a total effort toward disposing of unwanted articles. The Town cleanup squad will be prepared to haul away any 'junk' while the Breakfast Lions are very eager to accept saleable items for their auction sale. Meanwhile the 5th St. Albert Cubs and Scouts will call Saturday from door to door for bottles and other containers. Now is your chance to get rid of all your surplus items whether its good junk or not-so-good junk.

Awards Night Set For Essay Winners

The RCMP Centennial Essay Competition is now completed, judging has been done and awards will be made at a special awards ceremony Monday, May 28 at the Paul Kane High School at 7:30 p.m.

Although most plans have been finalized for awards night, the RCMP Centennial Committee is unable at this time to confirm whether the OC of 'K' Division in Edmonton will be able to accept the invitation and attend this special function. However, the committee chairman Sylvia Walsh, who originally initiated the whole RCMP Centennial event for St. Albert says that many dignitaries will be present for the award night and assures everyone that Monday May 28 will be a night to remember.

Essay first-place awards will be presented by the RCMP to the winners who submitted the best essay in each of the 12 grades of both

St. Albert school systems. During that same evening, other awards will be made on behalf of the Town of St. Albert, the local RCMP detachment and both school districts.

The RCMP Centennial Committee comprising of Mrs. S. Walsh, Mrs. E. Martin, Elmer Gish, Const. Simmonds, Const. Stewart and Cpl. Vars have done such an excellent job in promoting the RCMP Centennial for St. Albert that their efforts have attracted the attention

of not only local and Edmonton officials but letters of commendation have been directed to the local committee from right across Canada. In fact the St. Albert Centennial project will be featured in the Nation-Wide RCMP Centennial Quarterly.

To review the whole project we must go back to a meeting of the No. 3 School District in 1972 when Trustee Sylvia Walsh made a

'K' Division Commander To Present Awards

Chairman of the RCMP Centennial Essay committee Mrs. Sylvia Walsh has just informed the Gazette that A/Com. V. M. Seppala, commanding officer 'K' Division, Edmonton will be present for next Monday's awards night scheduled for May 28 at the Paul Kane High School.

A/Com. Seppala's office Tuesday confirmed that the commanding officer of 'K' Division in Edmonton will present the essay awards to the winners of essays submitted by students of both St. Albert school districts.

Constable Terry O'Reilly of the St. Albert detachment of the Royal Canadian Mounted Police reads from the scriptures during a special mass held Sunday in St. Albert Roman Catholic Church, marking the Centennial year of the Northwest Mounted Police force. Constable Larry Johannes of the local detachment also participated in the service.

Continued from page 1, more interested and gave more support to their child learning to speak French than did French-speaking parents. The local committee has also found that a good number of their supporters are English speaking parents. It was agreed that an excellent French teacher was a definite requirement for the success of such a program.

Implementation cost for a class of 30 for the first semester was estimated at \$250, with \$150 expendable material, and book rental would double because of sets in English and French. Dr. Lamoureux stated that government grants are available in the amount of \$63 or less per child, depending on the amount of French the student was taking. He also felt that the pupil-teacher ratio pro-

Elementary French

blem was probably the most difficult to overcome.

Proposals for courses having 80 per cent per day given to French instruction, and 50 - 60 per cent per day were discussed. Mr. J. Patterson and Sister Irene Magan felt that 50 - 60 per cent French would not be sufficient to learn the language well. Dr. Lamoureux stated that 80 per cent would be a much different program with more responsibility placed on the teacher. Active involvement by the children would be greatly reduced as they would not be able to do research etc. in science and social studies, he said. More time is required as well - about one-third of the lesson is teaching vocabulary. Dr. Lamoureux also felt that English speaking children would have problems with

the 'Dynamic Method' presently being used in some city schools, because a background in French was important for the success of this program.

In March the committee presented a brief on a proposal for a French Immersion Course to the District #3 School Board. It was decided that two board members, Ernie Howish and Sylvia Walsh, and two parents representatives, the Cotes and Brotons would further investigate the program over a series of six meetings. Following two meetings, April 10 and 17 this committee folded, when disagreement arose over whether they were a fact-finding group, as the board maintained, or a committee to make recommendations to the board, which the parents felt should be the case.

The parents endeavored to meet again with the board but were unable to do so. However both Mrs. Broten and Mrs. Morrisette said they were pleased and encouraged when the board took action last week by way of a French Language survey of families in the Catholic school system. A comprehensive questionnaire has gone out with the request that it be completed and returned to the school district office before June 1st.

Continued from page 1,

motion that schools participate in an essay contest to commemorate the RCMP Centennial. From then on the project was off to a flying start and it grew into a very commendable adventure.

Mrs. Walsh invited the No. 6 School District to join and immediately Mrs. Martin and Mr. Gish, assistant superintendent and superintendent respectively put their shoulder to the wheel. This nucleus of a committee then invited the local RCMP to join-in and three policemen volunteered. Constables Simon and Stewart along with Corporal Dan Vars became deeply involved as the project was being developed.

To provide school students of St. Albert with sufficient background material to write their essays, an extensive RCMP display was organized through the local and Edmonton RCMP detachments and was held early in April. At this elaborate all-day event, over 3,000 students plus hundreds of adults viewed several of the major RCMP departments in action. There was a crime-lab, highway traffic patrol, vintage uniforms worn by local and Edmonton RCMP personnel, a demonstration put

Awards Night

on by the RCMP dog master, every conceivable kind of drug and narcotic samples and even actual models of police arms, ammunition and protective equipment. It was thus through the information obtained from this display that local students were able to write their essays.

According to Mrs. Walsh, who was on the essay-judging task, she noticed that the majority of submissions reflected a high degree of respect for the RCMP. This observation is of special

significance because the public had been given the impression over past years that the reputation of the Royal Canadian Mounted Police was on a downward trend. Not so... according to the hundreds of young local writers. The essays not only indicated that the younger set is impressed with the RCMP history and proud of the scarlet-coated force, but many indicated they would like to try and qualify to make the RCMP their career.

Guides attend weekend camp

Girl Guides from the 2nd and 3rd Companies, of St. Albert and 7 Tamarac Cadets enjoyed a beautiful weekend at Camp Lacombe, Lac Ste. Anne, May 11, 12 and 13. The girls all left by bus on Friday and returned Sunday at 4 p.m. They completed quite a few of their outdoor assignments, such as pitching and striking a tent, hikes waterfront precautions, throwing the rescue line, compass readings, crafts, scavenger hunt, plus taking turns in the kitchen, cooking and cleaning, and had time for

games and campfire sing-songs in the evenings. Mrs. Lou Garrett was quarter-master with the valuable assistance of the Tamarac Cadets. Pauline Vaugeols and Mrs. Rena Yeats were the Guides-in-charge. Yvette Houle, captain of 3rd Com-

pany, Linda Yeats, and Debra Yeats were our adult staff. The girls and leaders had a big thank you for Mr. Jack Garrett and Mr. Ron Yeats who took out the groceries etc., and for St. Albert Parish Camp Committee for the use of their camp.

FRENCH SURVEY

St. Albert Public School District No. 3 is taking a survey to find out whether or not parents are interested in the expansion of the French program in the schools. There has been a request by some parents to set up classes where French would be used as the language of instruction 80 per cent of the day in grades 1 and 2, and 50 per cent of the day in grades 3-12.

In order that the Board may have correct information it is imperative that all public school ratepayers complete the survey even if you do not have children in school at the present time.

Survey forms are available at the church, District Office, schools and should be returned by June 1st to the schools or the District office.

Revised Bus Schedule Designed For Public

The newly revised Western Bus Lines' schedule, which went into effect Tuesday, May 22 has all the earmarks of a satisfactory bus service for the residents of St. Albert. According to Mr. Glen Grimstead, manager of Western, more buses have been put into service which will result in buses arriving in Edmonton 15 minutes prior to normal working hours and depart 15 minutes after the end of a normal working day.

In addition to the rescheduling of departures and arrivals at the Edmonton terminal, designed to serve the bulk of St. Albert's working force in Edmonton, additional runs have been scheduled during rush hours whereby buses will be travelling at 30 minute intervals going to and coming from Edmonton. Rush hour arrivals at the Edmonton terminal are

now going to be from 6:45 to 9:45 a.m. while departures are from 4:15 to 5:45 p.m. In between rush-hour periods, buses are now running at one-hour intervals.

Mr. Grimstead said that his firm will be keeping a close watch on the performance of this new schedule especially during the next three months, and changes can be and will be made if needed.

In reference to busing fares, these have been increased late last year from 40 cents to 50 cents. However, commuter tickets have now been introduced and are available from the driver at the reduced price of \$8.50 for 20 tickets. This commuter ticket package reduces the fare to 42.5¢ per trip, the book of tickets is valid for 60 days and the tickets are transferable. Mr. Grimstead feels this

special offer of commuter tickets will prove to be a real boon to regular bus riders.

For Saturday commuters to and from Edmonton from St. Albert five additional buses have been added to the

French Course Survey

The St. Albert Public School District is in the process of gathering information from its ratepayers regarding an expanded French teaching program in schools. The two-page questionnaire is now in circulation throughout the system in an attempt to determine the wishes of parents whose children attend the No. 3 schools.

Several months ago, a committee composed of interested parents and two members of the school board was formed to determine the

feasibility of instituting a more expanded French language teaching program. The committee attempted to assess the needs of the district regarding a French bilingual program but after the initial meetings had been held, it became evident that the whole question was too complex to be resolved by a committee. It was at this juncture that the two trustees resigned, Sylvia Walsh and Ernest Howrish and handed the 'hot-potato' back to the board.

During the interview with Mr. Grimstead, talk of a

shuttle bus service within St. Albert centered around the concept of a dial-a-bus. Mr. Grimstead said that the concept works in other centres of comparable size to that of St. Albert and admitted that Western Bus Lines was looking at the possibility of such a service here. Briefly, the way the dial-a-bus service could operate would be from a local depot from which smaller-type buses would be dispatched to the three major subdivisions in St. Albert. The schedule of these mini-buses would probably be devised to make a complete circuit of Grandin, Lacombe and Sturgeon on an hourly basis. Bus patrons would then be brought to the bus depot in St. Albert where

main line express buses would travel only from the St. Albert depot to Edmonton and back. The dial-a-bus phase of the service would come into the schedule when a customer would phone the local depot, book a trip and be picked up from the customer's home address and driven to the local depot.

At the moment Mr. Grimstead said, the internal shuttle service is only in the planning stage... In fact it's only in the preliminary feasibility stage. However, Mr. Grimstead said that an internal shuttle service is within the realm of possibility. However, Mr. Grimstead concluded that such an operation would not be economically feasible without a subsidy.

Plans Presidents Ball

The members of the Royal Canadian Legion, St. Albert Branch, have planned a gala evening on the occasion of their first annual President's Ball Saturday evening. The man of the hour is of course the president - Mr. Denny Taylor.

Cocktails, dinner and dancing to the music of Vern Hittinger will make a full night out for the Legion members and their guests. Dress

in semi-formal and the banquet is to be an informal affair for this occasion which will wind up the social events of the season for the Legion. Their other big do - and a more formal banquet comes up on November 11th each year.

If you haven't got your tickets for the President's Ball you can pick them up at the Legion Hall this evening.

Pre-School Screening Plan Endorsed

St. Albert's No. 3 Public School Board unanimously agreed to go ahead with a pre-school screening program to be held during the last two days of May. The motion was made by Trustee Steve Steben after considerable discussion was given to a report, prepared and tabled by Assistant-Superintendent George Soetaert.

In his report, Mr. Soetaert disclosed that it was necessary to make an early identification of children with learning difficulties and therefore a screening program ought to be initiated before pupils enter kindergarten. He gave as an example that once a screening program has been conducted, perhaps 10 out of one hundred of the pupils screened may have learning difficulties and it is imperative that these particular students receive special attention at that time.

In view of the need for Aspen Poplar are fast growing and short-lived trees.

such a service and the apparent financial support being offered by the provincial government for early childhood education, Mr. Soetaert's report urged that St. Albert's No. 3 board set up the screening program for children whose ages are four years and six months as of September 1, 1973 but less than five years six months during the last week in May.

The publication of the program will be done through The Gazette, the schools within the system and the RC Parish. The screening procedure will be developed in consultation with the Health Unit, Child Development Centre, kindergarten personnel and will be administered to the children in small teacher/pupil groups.

Dr. Howell of the Sturgeon Health Unit and his staff have indicated to the No. 3 Board that they will be willing to co-operate and provide additional diagnostic services once the initial screening has been conducted.

Mr. Soetaert explained that the special diagnostic services will include audio, visual and other tests.

"When we have clearly identified the children requiring assistance," Mr. Soetaert said in his report "the remediation program could be implemented in three different ways." One way may be on the basis of a home/school/health unit oriented program, another way might be on a school/home/health unit basis while still another way might be through a kindergarten/special services oriented program.

The early childhood education screening program report was concluded with the observation that it is of the utmost importance that children with learning difficulties be identified at an early age in order that undesirable traits be remedied before they become too deeply entrenched. It was on this note that all parents of children, falling within the above described age group were urged to fully co-operate with St. Albert's No. 3 administrative and teaching staff.

Saints shutout Block Brothers

St. Albert Willowbrook Saints started their '73 baseball season off on the right note with a 8 - 0 shutout over Block Brothers Thursday night in St. Albert. The exhibition game gave coach

Larry Murray a chance to use all his players and it looks as if the club will have a good season.

Saints are members of the Sunburst League while Block Brothers (formerly Blue Willow) play in the Alberta Major League.

Righthander Wayne Biggs worked the first couple of Innings and got credit for the win. Thirdbaseman Henry Hodgson had a homerun while Gene Sharun, Don Hodgson and Rick Pugliese had two hits each to lead the Saints. Saints also took part in the annual North Edmonton Sports Day tournament and lost 12 - 7 to Wetlier Williams Colts.

Bruin Inn Riders Enter B.C. Sports Festival

Last weekend six members of the St. Albert Bruin Inn Cycling Club travelled by car to the interior of B.C. to compete in the Tour of the Okanagan. Peter McCaffery and Karl Schneider rode in the senior five stage race and did well to finish in the first half of the field of 120 which included the Danish Junior National team, and several inter national riders from Canada and the U.S.A.

The trip was made possible by a donation from the Bruin Hotel, the clubs sponsor. Winner of this classic race was Norman Lowe of Calgary.

On Wednesday evening the Bruin Inn club are promoting a 50 mile road race on the Star Key Mine circuit. This event will have an international flavour as three members of the Danish Junior National Cycling team are competing. This was arranged by their coach Erik Breschel, who used to live in Edmonton.

Next weekend is the St. Albert club's big race, which this year is being sponsored by Londonderry Mall. Saturday, 2 a.m. there will be an 80 mile R.R. out by Edmonton Beach, Sunday 8 a.m. a 7 1/2 mile time trial at Speedway Park in conjunction with the Evelyn Unger Bike-a-Peal and Sunday 2:30 p.m. a 35 mile race on a circuit round Londonderry Shoppers Park.

Saturday morning David Kiehl (at right) 11 years of 4 Grandville Place and 11 year old Breen Neeser of 2 Greenwich Cres. were fishing in the Sturgeon near Perron Street bridge and Breen pulled out an 8 lb. Jackfish, 30 in. long.

Paul Kane High wins aggregate track cup

On Wednesday, May 16 Paul Kane High School's track team successfully competed in the fourth annual Sturgeon Conference

High School Track and Field meet held in Morinville.

The Sturgeon Conference meet determines the qualifiers to represent this area at the North Central Zone meet to be held in Strathcona County on May 26. In Morinville, Paul Kane's athletes combined efforts to defeat four other high schools to win the Aggregate Team Trophy. Paul Kane

accumulated 206 points, Legal 182 points, Redwater 169 points, Morinville 99 points and last, but not least St. Albert High with 72 points. The points race was a seesaw battle among the top three schools throughout the afternoon but Paul Kane forged ahead late in the meet winning four of the six relay events.

Individual outstanding efforts for Paul Kane include Helen Anderson who won the senior girls 100m and 50m events; Maureen Anderson, first in the javelin, breaking the old record by 15 feet; Suzanne Jewell, awarded a medallion for the top junior girls; Jim Hele first in the shot and discus, setting new records in each event, and Bruce Pequin, who was first in the 100m and 200m events and anchored the winning intermediate boys relay team. Bruce was also awarded a medallion for the top intermediate boys.

In all, there will be 26 athletes from Paul Kane representing St. Albert at the North Central Alberta High School Athletic Association Track and Field meet this coming Saturday.

At the Sturgeon-St. Albert Track and Field conference eliminations Guy Hill is shown proudly holding the trophy on behalf of Paul Kane High School. Held at the George P. Vanier High School in Morinville on Wednesday, May 16 the conference eliminations saw 225 competitors entered from five schools. Paul Kane High School came out on top, winning the school trophy by a good margin with their total of 206 points. Coming in second was the Legal High with 182 points, followed by Redwater with 169, G. P. Vanier with 99, and St. Albert High with 72 points.

Panthers win Calahoo tourney

Spruce Grove Panthers won the annual 12-team Calahoo fastball tournament over the weekend with a 12 - 7 win over Calahoo in the A event final.

Panthers took an early 5 - 0 lead in the second inning but Calahoo fought back to tie it in the fourth. Panthers banged out three home runs in the sixth scoring eight runs to put it out of reach.

The win was worth \$150 to the Panthers while Calahoo took home \$100 for runner-up.

Convention Inn Cavaliers upset Stony Plain Playboys 10 - 8 in the final of B event.

Lacrosse teams ready for action

The St. Albert Rams will open their home schedule on Monday, May 28. The Rams are entered in the Intermediate League, competing against North Glenora Sherwood Park and Southwest Edmonton. Rams will play in St. Albert every Monday night. Game time is 8 p.m. at the arena.

The St. Albert Golden Jets will try to maintain first place in the Alberta Major League when they take on the tough North Glenora Blues. The "Jets," defending Alberta senior champions, play every Tuesday at 8 p.m. in the arena.

ST. ALBERT RECREATION HIGHLIGHTS

SWIMMING POOL:

A separate advertisement in this issue includes the schedule which will be in operation from May 28 till July 1st. Public swimming sessions from 4 - 6 p.m. will be added to the schedule from June 11 - 15; no lessons are being held that week.

The program at the pool includes three family sessions at the weekends during June - two during the week will be added in the July/

August schedule. Children should be six years old or eligible to enter school next year in order to take the pre-beginner course. The family sessions, as well as the mother and pre-schooler lessons which will be offered in July and August, are important as they enable parents to bring their children to the pool and help them get used to water and water safety. But note - family only, no friends.

A limited number of coin lockers have been installed but residents are reminded that the town is not responsible for articles left or lost at the pool. It is always possible to leave articles of value at the desk with a member of the staff; it is much wiser, of course, to leave them at home.

A telephone number listed

in the St. Albert Directory for the St. Albert Salfish Swim Club is NOT the number of the swimming pool. It is that of the past president of the Swim Club so please - no more calls to this number for information about the swimming pool. Schedules and information are published in the Gazette and posted at the pool.

Cynthia Sage of Ridgewood Terrace is sporting a delightful black eye, and has discovered something NOT to do when coaching beginners at tennis. She was

bending down to show a little girl how to follow through with a stroke. The youngster caught on all right, but Cynthia didn't move fast enough, and caught the follow-through racket on her right eye. Cynthia and husband Robert are just recently back from a month's holiday, spending two weeks sailing off the coast of Florida, followed by two weeks in England visiting families and friends.

Members of the Single Social Club would be happy to take any household items or used clothing off the hands of residents with such un-

used articles they would like to get rid of from closets, cupboards and basements. The club is holding a rummage sale on May 26 at the Community Hall. Anyone having a donation may call 459-5470 for pick up.

John and Marguerite Kaminski have bought a farm north of Darwell, between Lac Ste. Anne and Lake Isle. Sixteen of the 175 acres are under cultivation and Mr. Kaminski will be seeding oats this weekend. Better than that he will be taking off his crop, barring accidents, this fall with an old threshing machine which went with the purchase. This back-to-the-land move may mean that the Kaminskis' see rather less of their lake cottage this summer.

REGISTRATIONS

OF BEGINNERS

In order that plans may be made for the fall term it is necessary to know the number of children who will be starting school in September.

Children who have reached the age of six years by the end of FEBRUARY, 1974 will be accepted for the school term 1973-74.

Registration forms are available at the district office, parish church and each school.

EARLY CHILDHOOD SCREENING

The School Board of St. Albert Catholic Public School District No. 3 will be operating an educational program on the mornings of May 31st and June 1st from 8:30 a.m. to 11:30 a.m. for all Public School children who will be four and one half by September 1st, 1973, but less than five and one half years. The programs will be offered in the Vital Grandin and Albert Lacombe schools and the children may use the usual bus service provided but we encourage parents to bring their children and remain at the school for the two hour morning screening sessions.

Since this program could be very beneficial for both the home and school we hope that you will be able to have your child in attendance. There is a possibility that some specialized classes will be operating in the fall of 1973 but this will be dependent on the results from the screening program and direct funding from the Provincial government.

The School Board will be cancelling the regular grade one classes for the entire day on May 31st and June 1st in order to provide facilities and personnel.

The information that is obtained about your child in the screening program will be passed on to you so that we can all work towards preparing these young people for the tasks they may face in the future.

Once the screening program has been completed some of the children may be asked to come to the school or health unit for more extensive testing but the parents concerned would be contacted.

If you are interested in participating in this program, please phone the District office at 459-7711 and leave your name and address.

If they would like to donate such items as: cast iron skillets, rakes and spades, Coleman lanterns, tent pegs, twine and 1/2 inch rope, 5 gal. metal gas containers, pails, ground sheets of polythene sheeting (6-mil). The boys are planning a short-term camp early in June and a week of mountain camping in August and are badly in need of equipment and a little short of funds. They would certainly appreciate some of these items - including 9 x 12 tents.

1st class held - creative writing

Wednesday, May 16 marked the first Creative Writing class sponsored by the St. Albert Cultural Co-ordinating Committee and the St. Albert Public Library. The 10-week course, instructed by Alberta author Margaret Coleman Johnson, will be held in the library meeting room every Wednesday at 7:30 p.m.

Mrs. Johnson told the group of 15 that Alberta is the leading province in the promotion of budding authors, noting the fact that 98 novels were submitted to the first Alberta Novel Competition recently. Mrs. Johnson has instructed many courses of this nature and sees her major role in editing scripts and suggesting potential markets to the participants.

Each week members of the class will write one piece to be read aloud and submitted for editing in manuscript form.

A trophy will be awarded

by the Creative Writing Division of the Department of Culture Youth and Recreation to the writer of this piece judged to be the best written during the course.

Anyone interested in late registration for Creative Writing may pick up an application form at the library. The fee for the course is \$20.00.

MORINVILLE MEMOS

By Flo McGinnis

The Lions Charter Night that was held May 12 was a great success by all reports with some 62 persons attending the banquet and dance. Mrs. Winifred Stewart, the guest speaker, gave as always, a very interesting and enlightening talk which was enjoyed by all. To make a fine night of it the crowd danced till the wee hours celebrating the Morinville Lions 24 years since being chartered.

Another note from the Lions - they held a "work party" last week and spent an evening cleaning up and repairing the playground equipment at the sports grounds. This equipment has been placed "on the hill" for the use of all the children, and it is hoped that this summer it will really come in handy if the summer playground program goes through as planned. Thanks Lions!

Red Cross swimming classes will begin July 2nd, and the Mother's Local report that they received over 100 registrations for these classes. The services of Mr. Alex Montpeller's bus have been obtained, and right now the ladies are getting the groups organized and arranged in preparation for the big day.

Jean and Norm Chalfoux have returned from their short trip to Spain looking so happy about the trip. They report that it was marvellous weather and a terrific experience.

Mr. and Mrs. Wilfred Lanteau left on the weekend to spend a week's vacation at Rail-in Hot Springs. They'll be glad they missed the cold rainy Sunday we had here.

Another afternoon of cards was enjoyed by the Senior Citizens Rendezvous Club on the 16th with 13 members present. Gardening and the fine weather kept most of the group otherwise occupied.

Mrs. Lemieux is now residing at Chateau Sturgeon in Legal. Best of luck is passed on to her from the Rendezvous Club.

Birthday wishes for Aracade Ethier who celebrated the big day on May 16 were omitted last week - sorry. This week Emilie Caouette celebrates her birthday on Wednesday, May 23.

Mrs. Clarice Baupre is leaving on May 25 for Boulder, Montana to attend her grandson's graduation and spend a few days visiting.

You can see by this that our senior citizens always have something on the go and keep extremely active, with the card parties, trips away, gardening etc. They sometimes put the rest of us to shame.

At the last regular Board of Trade meeting, President Romeo Bissonnault reported that it is definite now, the land has been purchased for the ALCB cullet in Morinville and there will be construction this summer. The building will be located next door to the Calgary Power office on Jacques Cartier Street.

The next meeting of the Board of Trade will be held on Monday, June 4 and it will be in the form of a special meeting at the Legion Hall. Information and details regarding membership and active participation may be obtained from Don Derby, the secretary-treasurer at 256-3331.

Sunday, May 13 the girl guides put on a lovely Mother's Day Tea, serving sandwiches, sweets, tea and coffee to 'Mother'. The girls that served were working for their hostess badge and were a little disappointed at the poor turnout as they had worked very hard preparing this event. The leaders especially felt that things could be a bit different and that more parents

would turn out as the girls are so proud to prepare something special and then get so downhearted when it appears that people are disinterested.

On Thursday, May 31 the mother and daughter banquet will be held with a hot meal served at the Recreation Centre, please make sure that you support the girls in this 'first attempt'.

Mary Flannigan, Mother's Local President is a patient in the Sturgeon General Hospital and get well wishes have been sent in by ALL the guides, brownies and Mother's Local members. Your cheery face is missed Mary.

On May 15 the third and last fly-up of the year was held in the Girl Guide Room as both the first and second brownie packs lost two girls to the girl guide pack. Featuring a spring theme this fly-up had an arch of branches and leaves for the brownies to fly under as they left their brownie ring and went over to the guides pack. The three girls who flew up were Kelly Mason and Cynthia Robinson from the 2nd Pack, Wendy Vranas from the 1st Pack, and Darlene Madynski from the 1st Pack walked up to guides. Sylvia Flannigan presented the girls with autograph books on behalf of the Mother's Local. After the ceremonies the girls worked on items for the mother and daughter banquet and then had a small 'party' to celebrate the fly-up.

At the regular meeting of the Morinville Recreation Board held last Thursday, preparations were begun for the summer playground program that will be held during the months of July and August. Assistance from mothers is required and there will be someone contacting the organized groups asking for their help in forming a 'Mothers Group' to help supervise so that this program will not fail in 1973. If you are interested in seeing that Morinville has some type of organized program for the children this summer please contact one of the following: Flo McGinnis, Andy Kryskow, Dorothy Dalgault, Karen Weston, Carol Wojtkiw.

The keep fit classes are now over, but they proved to be a great success again this year and it is hoped that they will be in operation again next spring.

Polishing up on their routine for the RCMP Centennial edition of Frontier Daze 1973 is the glamorous kick-line shown above left to right: Diane Wahfeldt, Claudette Turgeon, Sandy Babuk, Barb Tailleux and Peggy Butt. Also featured during both days will be B.d Tree with his Klondike Posse and Musical Ride.

Morinville Frontier Daze To Feature Show Headliners

By Flo McGinnis

Going into their sixteenth year as an organized group, the Kick-Line has decided to use some new and added steps that will undoubtedly make them even more of a hit with the crowds at Frontier Daze this year, June 23 and 24.

Having performed at various functions in the province, the group has become very well known and overwhelmingly popular. At the time that the Frontiersman Hotel opened in Morinville, the management especially wanted to have the Frontier Daze Kick-Line perform, and under special permission they were successful. This was the first time that a dancing group was allowed to give a performance

in a beverage room in Alberta.

Under the instruction and leadership of Shirley Lungeer, who danced with the group in '71 and became their instructor last year, the five girls are busy with practices every week, polishing up every intricate step in readiness for their many performances during the two-day Frontier Daze celebration.

The executive of the Frontier Daze Association has just announced that Bud Tree, with his Klondike Posse and Musical Ride will also be featured this year. As well as adding to the excitement and color during the 1973 parade, there will be a special performance each day (Saturday 23 and

Sunday 24) on the grounds. This will be the first time that the Klondike Posse and Musical Ride has been a part of the Frontier Daze celebration, but of course many area residents have seen them before and all agree that it is a unique display. Fitting into the RCMP Centennial theme of Morinville's 1973 bang-up show, Bud Tree's group will indeed be something that no one will want to miss.

Morinville Mothers

As in every organization, we have had our troubles this year in the brownies and guides as well as the Mother's Local. New ideas are not readily accepted and some old ways of doing things are not appreciated. We have blamed mothers for not supporting us and yet we have had mothers come to us and say, "Well, whenever heard about it, we weren't phoned."

Nobody is perfect and I am the first one to admit this as well as admitting that I do not know all there is to know about this organization, but I do learn more every day and especially at the training sessions I've been to. I do, however, think that there is a breakdown in communications here and I'm afraid that only the girls will suffer if things aren't worked out.

I love working with the

girls and think that guides and brownies are great for them, but the way things are now, there may not be any next year! So far, we haven't any executive for the Mother's Local, as I have heard the executive for 1972-73 are not coming back, and in my opinion they were great this year!

Also, there are possible four leaders quitting this year because of differences in opinion regarding teaching of the girls. I don't know what can be done, but if anyone has any ideas maybe we could have a meeting of the mothers and leaders, and get a few things straightened out, as I think that it is a shame for the girls to miss out on guides and brownies, it is great for them!

The guides and brownies themselves need a new executive for next year or the packs may have to fold up. This would be a step backwards and it would be a shame, with so many girls enrolled now.

Thank you,
Barb Tallier,
Brown Owl, Morinville.

Golden Agers hold basket social

By Liz McLeod

Thirty-nine happy folks gathered at the Gazebo for the regular meeting of the Calahoo Golden Age Club, a special evening, as it was a basket social. Visitors from Onoway were: Mr. and Mrs. John LaFleur (now members in Calahoo too), Mr. and Mrs. Henry Strive, Mr. and Mrs. Vic Albrecht, Mrs. Mabel Brand, Mrs. Mildred Palmer and Mrs. J. Elsie Williams.

Mr. and Mrs. Euge Hoelke (former residents of Sandy Lake and Calahoo) now living at White Rock, B.C. and guests of John and Addie Thatcher, certainly enjoyed the evening meeting old friends and neighbors.

Shuffleboard and cards started the evening, fol-

lowed by dancing to John Thatcher on the violin and Dina Cropper's record player. Circle two steps, polkas and square dances delighted the crowd, after which the baskets were uncovered and under John LaFleur's hand the bidding started.

Much fun and merriment ensued and several members purchased two baskets since there were more women present.

Mrs. Dozorec and Werner Christen had birthdays so candles were lit on two cakes, to the tune of happy birthday.

The next meeting will be held on May 23 and visitors are always welcome. The Golden Agers thank the Villeneuve group for a wonderful time at Villeneuve May 7th.

Women's Institute holds Conference in Barrhead

By Joyce Whitton

On May 5th members of the Alberta Women's Institute gathered in Barrhead for the annual conference of the Mid Pembina Constituency.

Mrs. A. Cameron, constituency convener called the conference together with the singing of "Prairie Rose" followed by the repeating of the Institute Creed. A short period of silence was observed in memory of deceased members. Mrs. Cameron chose as her theme, "A Smile is the Same the World Over."

Members were very honored to have with them Marion Alexander, provincial president, who expressed pleasure at being in Barrhead for the very first time and able to attend conference. She congratulated Belvedere WI on their 25th anniversary and brought belated anniversary greetings to Picaresque WI on their 50th anniversary (Jan. 12, 1973).

Also attending conference was District 2 Director, Vera Holt of Sanguo, Alberta and secretary-treasurer, Mrs. G. McMillan of Edmonton. Secretary for the conference was Joyce Whitton of Altondale. A special

welcome was extended to visitors attending the conference. Nominating committee, resolutions committee, and sunshine committee were appointed and introduced.

An address of welcome was given by Belvedere Women's Institute and three original members of this Institute were presented with white corsages; marking the 25th anniversary of the Belvedere Women's Institute. Vera Brown of the Echo Hill branch replied.

Convenors of the standing committees who reported were: Mrs. A. Dun-

cliffe reported on agriculture and Canadian industries (in the absence of Mrs. Tom Foster), Gertie McConaghy on citizenship and education, Mrs. G. McMillan on handicraft and cultural activities, Mrs. J. Stefan, Jr. on health and home economics, Mrs. J. Arlow on social services, and Mrs. D. Hunt on United Nations. Mrs. Arlow's report was a very interesting summary of accomplishments achieved within the past four years since she had taken up the post of convener for social services. The reports were all adopted as presented.

Mrs. A. Cameron gave the constituency convener's report. During the past year Mrs. Cameron has visited all the branches within Mid Pembina Constituency. She reported increases in membership within some branches, whereas other branches have lost one or two, but the Institute "family" within this district remains approximately at the same number of members. Members were reminded to keep in mind the office fund, as a provincial office for the Alberta Women's Institute has been needed for quite some time. At present, a temporary office is set up in the home of Mrs. G. McMillan

of Edmonton.

Mrs. Alexander introduced Mrs. Vera Holt, Mrs. Holt remarked that the Institute Creed is taken too much for granted and said she hoped we would wear the smile of friendship during the conference. She said "Get to know members at conference. By taking pride in the Institute we will do our very best." Mrs. Holt suggested that two branches of the Institute within our constituency may like to have a debate and suggested that one good topic to discuss would be the pros and cons of the ban on Kraft Products.

Mrs. Roy Hurlan introduced the guest speaker for the morning, Mrs. Madeline Koshuta of the Canadian Mental Health Association. She stressed that it is most important that emphasis be placed on the prevention of problems within the mental health field rather than waiting until people are badly in need of help. Brochures were distributed to

everyone present telling who the Canadian Mental Health Association is, what their objectives are, which activities they are involved in, community services sponsored by them and social action being taken by them, i.e. identifying gaps in existing services and agitating for reforms to better mental health facilities in the province. Mrs. Koshuta showed candles that were made by patients at Alberta Hospital in Edmonton and said 40,000 candles have been made for sale this year. Groups such as WI can help by selling these candles in conjunction with the mental health association's "Light up for Mental Health" campaign. This is a voluntary association and volunteers are non paid, donating thousands of hours of their free time. Films are available from the Canadian Mental Health Association (CMHA) free of charge and WI Branches may make use of them. Mrs. Koshuta was thanked for a most informative talk.

March For Music Set For May 27

On Sunday, May 27, members and supporters of the Morinville Drum and Bagpipe Band will participate in a fund raising six mile 'March for Music'.

The march will commence at 1:00 o'clock in the afternoon from the Morinville Recreation Centre and proceed north for three miles and back on the old No. 2

highway.

Members of the community are encouraged not only to sponsor a young walker, but better still, to join and encourage them. All funds raised go toward financing the band. This annual 'March' and the Community Christmas Card provide the basic source of financing for the band.

Members of the band pay an initial 10 dollar fee each year, and are provided with instruments, instruction, uniforms, transportation to and from engagements, and occasional special treats.

The organization includes the band, consisting of bagpipes, drums, cymbals, glockenspiels, and shakers, and the baton twirlers. The band, in its fifth season is under the able direction of Band Master George Adams baton instructor is Mrs. Pat Olmoyk.

There are approximately 40 boys and girls in the band, and another 30 girls in baton. The group, which has participated in an increasing number of parades in the last few years, is gradually building up an experienced membership, and is a credit to Morinville. The support of the community is needed, however, to encourage older members to remain with the band and contribute the polish that several years of experience gives.

The band is available for parades or other public func-

tions, at a moderate fee. Any group interested in having them perform may contact Camille Gregoire at 256-3278.

For more information regarding the band or the March for Music, contact any member of the Band Committee: Rev. Fr. Primeau, Mrs. Yvonne Varnas, Mrs. Angeline Gibeault, Camille Gregoire, Rene Chevalier, Mrs. Ron Lambert, Mrs. O. Himschoot or Mrs. L. M. St. Laurent.

Namoo 4H Beef Club

By Margaret Engley

The Namoo 4H Beef Club has been extremely active this spring. On April 15 they had a tour day and took in the U of A Beef judging class held at the Sportex and Sales Pavilion.

A most successful bottle drive was organized and carried through May 5th, adding funds for projects and activities. Discussions were held and arrangements made at the May meeting for Achievement Day plans and displays.

Next judging day is being planned for May 17 at the Sweetnam's farm and regular meeting at Will Mitchell's.

Buttons & Bows — Achievement Day

By Debbie Rye

The Namoo 4H Clothing Club held their fifth annual achievement day April 30 at Namoo Hall. The members entertained and informed an audience of about 100. A storybook theme was carried throughout the program and the displays. The program opened with a welcome song, O Canada and the 4H

A fashion show of each girl modelling their sewn garments followed the opening. Speeches were then given on each of our club's events that occurred during the year.

The entertainment section included pianists, dancers, singers and a Hillbilly fam-

ily, Clem, Pearl and Jesse. A singsong was hilariously led by Pearl, Clem and Jesse.

The most exciting part of the evening followed Mrs. Norma Clarke's judging comments when winners were announced for individual awards. These awards were as follows:

1st demonstrations - Audrey Gibson and Debbie Zaharichuk; 2nd demonstrations - Betty Gibson and Laurie Jeffery; 1st Junior public speaking - Betty Gibson; 2nd Junior public speaking - Lori Samis; 1st senior public speaking - Lanny Robertson; 2nd senior public speaking - Debbie Rye; Best 1st Unit Member - Debbie Zaharichuk; Best 3rd Unit Member Kelly Stanton; Best 4th Unit Member Janet Gibson; Best 1st Unit Book - Debbie Zaharichuk; Best 3rd Unit Book - Laurie Jeffery; Best overall Book - Wendy Bowman; Best Display by Theme - Wendy Bowman; Best Display by Points - Marianne McNeilson; Best Sewn Garment - Janet Gibson; Efficiency Award - Janice Crozier; Miss Buttons and Bows - Debbie Rye.

The cake raffle was won by Mrs. Norma Clarke. Judges were Norma Clarke, Mrs. Daisy Craig and Mrs. Betty Lou Kandleman and Junior Judges Audrey Gibson, Terry Unrau, and Debbie Rye. Buttons and Bows loaders are Mrs. Robertson, Mrs. Samis, Mrs. Crozier, Mrs. Unrau, Mrs. Stanton and Terry Unrau.

Christian Ladies Hold Convention

The convention for the MFC (Christian Ladies) of the diocese of St. Paul was held in Vimy on April 25. It was ably hosted by the Vimy and Pleadville MFC. In attendance were 114 ladies, 11 priests and 16 youths. Warm welcomes were given by Mr. Leo Fortier, president of the Vimy Parish Council and Mrs. Cora de Champlain, president of Vimy MFC.

The diocesan president, Mrs. Julienne Hebert of St. Vincent outlined the pro-

gram of the day, the theme being "Faith in your Life."

In attendance were three guest speakers: Father Bissonnette from Legal, his topic Youth, Love and Faith; Father Simard from Mallard, Marriage and Human Relations; Father Lagrange from Saddle Lake, Reports of the survey taken recently on Christian Marriages in the diocese.

In the afternoon the group was divided into study groups, and two films were shown. Good advice was given by the diocesan director

Father Primeau.

At 5 p.m. everyone assisted at a celebrated mass with Father Croteau officiating.

The banquet was served by the Vimy and Pleadville CWL.

Mrs. Gladys Majew was the MC for the evening, and speakers were: Mrs. Simone Provost from Pleadville, Father Tanguay from Pleadville, Father Houde from Fort Kent and Father Croteau from Cold Lake. The Bonnyville choir with Father Simard entertained with songs which were enjoyed by all. The president Mrs. Julienne Hebert thanked everyone for their participation in making the convention a success.

Legal High Athletes

By Paulette Cloutier

On Wednesday, May 16, Georges P. Vanier School hosted the high school division of the Sub Local Track and Field Meet. The schools participating in the track meet were: Paul Kane, Legal, Redwater, St. Albert Public School and Georges P. Vanier.

Over 200 students competed in various track and field activities to win points for their schools. Paul Kane

was the victorious school this year, defeating every other school with the number of points they had won.

Although Legal High did not achieve the top number of points; congratulations to all students who won ribbons and to the school for placing second. Congratulations are also extended to Gerard Charrois who won the medal for senior boys and Claude Letourneau, who won the medal for junior boys.

Calahoo Sports

By Liz McLeod

Oh! my Calahoo has come through again with the senior girls under John Gagnon's coaching and Myles Kerr's bantam girls team using both ball diamonds at Calahoo won over both Legal teams on May 14. Congratulations gals!

With these two bantam teams, the games are scheduled for Monday and Thursday's. Then there are two more girls teams, the peewee and Rita Letendre and Chris Berube are the coaches and they are busy practicing.

Then there are two boys fastball teams and it was my pleasure to watch one team with Barney Letendre coaching win over Villeneuve before a large crowd of sports fans on May 18.

The mites have won their first scheduled game so with all these teams you can rest assured there's plenty of action around Calahoo.

This recent rain was good

for the farmers but it put the damper on the men's ball tournament this past weekend. There was plenty of activity on Saturday 19 with a good crowd gathering throughout the day.

The diamonds dried up enough to resume play on Monday, 21st and at present they are going strong. Good luck to all of you.

Report From Bon Accord

By Sadie Allen

Rural Life Sunday service will be held at Namaso Community Hall on Sunday, June 3 with Namaso, Patricia and Bon Accord participating. Rev. Frank Chubb will be the guest preacher and slides on the middle east will be shown. Time is 11 a.m.

A miscellaneous shower honoring Janet Baker whose marriage to Dale Lewis takes place on June 2 will be held in the B.A. Community Centre on Monday, May 28 at 8 p.m.

The first baseball casualty of the season is Ron Herd who suffered torn shoulder ligaments in the game against Morinville on May 16. The boys pulled off their second win of the season by downing Morinville 7-10.

The former Triple R Esso has been taken over by partners Lyle McKenzie and Peter Leduc with a change of name to Bon Accord Super Service. The new owners hope to live up to their name when serving the public whether its gasoline or repairs your car needs. The station will be open seven days a week until 10 p.m.

NAMAO NEWS

By Norma Crozier

Rural Life Sunday for Namaso, Bon Accord and Patricia will be held in the Namaso Community Hall on Sunday, June 3 at 11 a.m. Rev. F. Chubb will show pictures of his trip to the Holy Land. Lunch will be served, everybody welcome.

Namaso Happyette Club will host a shower in the community hall for Norma Clapp on Wednesday, May 30 at 8:30 p.m. Norma will be married to Bob May of Calgary.

Although the crowd was not as large as expected, the First Aid Brigade rummage sale was reasonably successful. There is still a large amount of good used clothing left.

The 4H Light Horse Club are sponsoring a dance on Saturday, May 26.

Mr. and Mrs. William House are pleased to announce the arrival of their chosen son Derek William.

The Bon Accord - Gibbons track meet will be held at the school on June 1st. The

ladies of the community club will be operating a booth on the grounds for the convenience of all. The school staff will welcome volunteers of both sexes to help with officiating or making sure that all contestants are on hand for their events.

Get well wishes are extended to Mr. El Irmen in the Sturgeon General.

A note to senior baseball fans - there will not be a game at Bon Accord on Sunday, May 27. The team will be playing in a tournament at Lamont.

LEGAL LOCALS

By Lucienne Montpetit

The people of the community will be happy to welcome Bishop Roy from St. Paul who will be in our parish to confirm 60 of our young students. For this special occasion breakfast will be served for everyone at the community hall. You are all welcome, so purchase your tickets now at the rectory or after the masses, \$1 for adults and 50¢ for children. Come and have breakfast and meet your bishop on June 3.

Tom and Jacinthe Schneider (nee L'Heureux) are happy to announce the birth of Michael Tom born on May 3, 1973, weighing 6 lbs. 5 1/2 oz. A brother for Bubby, a grandson for Mr. and Mrs. Jos L'Heureux of Legal and Mr. and Mrs. Bill Schneider from Bon Accord.

Wishes for a speedy recovery to Mrs. Lionel Forcade who underwent surgery Leo Bergevin who is suffering from a broken leg and to Martin Ostowich who is back home recovering from a heart attack.

Mr. and Mrs. Armand Massie have moved to Edmonton.

Congratulations and best wishes to Mrs. Marie T. Larose who celebrated her 83rd birthday last Sunday at a family gathering.

Congratulations to Mr. and Mrs. Maurice St. Jean upon the arrival of their son Denis born on May 11. A brother for Monique and Claude.

Congratulations to Lilliane Brisson who was crowned May Queen 1973 at a dance held in the school gymnasium last week.

The Foster-Parent Association held a citation night consisting of a banquet and dance at the Saxony Motor Hotel. Congratulations to Mr. and Mrs. Joseph L'Heureux who were presented a citation award for 10 years of service to the government as foster parents. Mr. and Mrs. Paul Clouthier were also presented a citation award for five years of service as foster parents.

The Sacred Heart Parish extend their thanks to everyone who helped make the Flea Market and tea such a success. The raffie was won by Lynn Morin.

Get well wishes to Morris Montpeller and Harvey Vischer suffering from burns while helping to put out a gas fire at the Earl Briggs farm last week. Maurice Noel and Mike Serink were treated for burns also but released from hospital the same day. Extensive damage was done to the corral and a new garage was destroyed.

parish wrote a true definition of how various organizations work. Her description is written in a scientific kind of way, using a variety of bones to express her thoughts.

The Wishbones - who spend all their time wishing someone else would do the work.

The Jawbones - who do all the talking but little else. The Knucklebones - who knock everything that everyone tries to do.

The Backbones - who get under the load and do all the work.

"Frontier Daze" at Morinville will be held on June 23 and June 24. This year a bigger than ever Arts and Crafts display is being organized to include displays of handicrafts from the whole M.D. Demonstrations will play a major part this year.

Organized to date is a demonstration of copper enamelling by Mrs. Edith Kowalski and Mrs. Doris Carleton of Bon Accord. If there is enough interest in copper enamelling a kit may be purchased and courses offered in the fall. The ceramics club in Morinville will be demonstrating their art and displaying work done by the club. More demonstra-

Fire units from Morinville and Gibbons were at the scene.

Anyone wishes to participate in the walk-a-thon for the arena may obtain sponsor forms from Konsoradio's or Morlin's stores and at the school. The walk-a-thon will be June 2.

Get well wishes to Mrs. Coleen St. Nicolaas in the Misericordia Hospital.

The Senior Citizens Last Roundup Club held their regular meeting May 10 with 30 members present. 12 games of bingo were played. The meetings will continue during the summer. Lunch was served and the May birthday cake was presented. Celebrating their birthdays were Emily Oliver and Yvonne Pederson. Everyone joined in the singing of Happy Birthday and The More We Get Together. Approximately 24 senior citizens attended the open house of the RCMP on May 17, and had a most enjoyable afternoon. Everyone found the displays most interesting and the guides very helpful. A lovely tea break was held during the tour. Each visitor was presented with a pin for remembrance of the Cen-

tennial tour. Next regular meeting May 24.

Have your flower beds and garden spot all ready for the plants to be purchased at the Sunday School Circle plant sale and tea Saturday, May 26, 2 - 4 p.m.

The 18 and under girls ball team look very sporty in their new green trimmed with white uniforms - compliments of Jaybar Realty. Mr. Jim Zahar owner of Jaybar Realty has been very active in the community since moving into the area. The girls are very proud of their uniforms and have a fairly good record of three wins and two losses. Mr. Zahar has also donated 50 tickets for the Shrine Circus to the grades 1 and 2 classes.

Johnny Kamples received burns to his head and arms at the fire at the Earl Briggs farm last week.

Mr. and Mrs. Barry Rigney and son Stephen of Barrie, Ontario have been visiting with Betty's family Mr. and Mrs. Frank Rigney.

Up with St. Albert

Submitted by Don Mills

This is the time of year that our town really stands as a source of pride to all of us. The old and the new alike

are surrounded by the greenery that sets our town apart and makes it a pleasant, peaceful place to live. Isn't it about time that

we all started taking pride in what St. Albert has been, is, and can be? A group of local residents thinks so and have been activating some

interest in the promotion and preservation of St. Albert's heritage. This group, who have adopted the name St. Albert Cultural Co-ordina-

ting Committee, are seeking to involve more citizens of St. Albert in this pursuit. On Monday, May 28 at 8 p.m. in the Library Meeting

Room the St. Albert Cultural Co-ordinating Committee is holding its first general meeting. This meeting has primarily been called to adopt a constitution for the group and to elect officers for the coming year. In addition, the evening will feature a short talk by members of the Parkland Regional Arts Council on that group's activities in the area of local heritage. Mrs. Lena Holgren and Mr. Doug Laurie will be in attendance. It is also planned that a local singer will provide a short entertainment spot. Reports of the group's activities to date and plans for the coming year will also be heard. Coffee will be served.

It is hoped that all local residents interested in supporting this group and its objectives will be in attendance. A few hours of your time will help this group enrich our town in the months and years ahead. Please plan to attend.

Independent Businessmen:

THE ROYAL BANK OF CANADA

CALGARY, ALTA.

H. E. MCLENAUGHAN
DISTRICT GENERAL MANAGER

May 14, 1973

Mr. W.G. Henry
Manager
The Royal Bank of Canada
Red Deer, Alberta

Dear Mr. Henry:

The Royal Bank has always recognized the important role of the independent businessman in Alberta, but I think now is an appropriate time to re-emphasize the significant contribution of this sector of business to a healthy Alberta economy.

And there are good reasons. First, the need is there. There is a real need for vigorous growth in this section of the economy and financing is one of the necessary ingredients. Second, this represents an opportunity for us to help our business grow by increasing our share of the market.

Therefore, I would like to re-emphasize that The Royal Bank policy is to give special consideration to loan applications from smaller, independent businessmen. To make this happen I am asking you to bring your maximum energy and imagination to developing such applications. If we are able to help independent businessmen, then in the long run we will be helping ourselves and Alberta.

Sincerely yours,

H. E. McLeNAUGHAN

Here's an important letter we've sent to all our branch managers.
